Dear Resident family members

COVID-19 is continued threat to our community, our number one priority is the safety and well-being of our residents and staff. Your support is appreciated.

The Premier of NSW announced this morning a further extension of the current lockdown until at least 30 July 2021. Visitors will not be permitted entry to our homes in the Greater Sydney area during this extended lockdown period, except in exceptional circumstances.

Please contact the home directly to arrange video or telephone calls to your loved ones.

Our staff are passionate about caring for our residents and continue to keep them engaged and safe.

As we receive further information we will provide this to you.

Stay safe, we will get through this together.

Yours truly
