

20 September 2021

Dear Clover Lea Residents, Families and staff

We wish to advise you of some changes to the management of Clover Lea.

We would like to take this opportunity to thank Chris Grady for taking on the role of Acting Director of Nursing at Clover Lea for the last few weeks. We appreciate your support and are grateful for your agility.

On 27 September Irene Whippy will return to Clover Lea as the Director of Nursing. She is looking forward to seeing all of the residents and staff and continuing the great work the team have been doing at Clover Lea.

Irene will be supported by Patricia Dube who is the Acting Clinical Nurse Manager.

We understand this is a difficult time for everyone with the current stay-at-home orders so please feel free to contact Irene or Patricia if you have any questions.

Yours sincerely

GRAEME PRIOR
