

6 January 2022

Dear Sirius Cove resident family members

Our number one priority is the safety and well-being of our residents and staff.

We have been advised today that Sirius Cove Aged Care Home is classified as an exposure site due to three staff members who have returned a positive PCR test for COVID. We are Rapid Antigen Testing all staff and residents and will continue to monitor the situation.

We are confident that our Outbreak Management Plan is effective and our staff remain prepared. We will work closely with the PHU. Staff and residents are calm and asymptomatic and we have continuity of care with our staff. All staff will be wearing PPE.

While the home is still open to visitors we are asking that visits are facilitated outside in the garden or we are happy to arrange Video or telephone calls with your loved ones, please do not hesitate to contact the Home to arrange this. All visitors will be required to wear PPE.

As always please do not hesitate to contact the Home should you have any concerns on 9960 7555.

During this busy time please can you ensure all family members are aware of this situation by forwarding this message onto them.

We are all in this together against COVID-19.

Yours truly

GRAEME PRIOR
Chief Executive Officer
