### HOW MUCH WILL MY ACCOMMODATION AT CANBERRA AGED CARE HOME COST?

The Government will pay an accommodation supplement for residents who are assessed as eligible. Eligibility is determined through a combined assets and income assessment. Depending on your financial circumstances, the Government may pay either all, part or none of your accommodation cost.

If you are assessed as eligible for the maximum accommodation supplement, you will not be charged any additional amount for your accommodation. If you are eligible for a partial accommodation supplement, you will only be charged the difference between the supplement amount and the maximum supplement for Canberra Aged Care Home. If you are assessed as not eligible, the Government will not contribute to the cost of your accommodation.

### ACCOMMODATION PAYMENT OPTIONS

All room types at Canberra Aged Care Home are priced the same, and are not offered on an extra service basis. The following amounts are the maximum you will be charged if you are not eligible for a Government subsidy. There are three payment options to choose from:

**1. Refundable accommodation deposit (paid as a lump sum)**

The maximum refundable accommodation deposit you will be charged for a Chifley/Lodge single room with private ensuite is \$750,000.

**2. Daily accommodation payment (paid periodically, eg monthly)**

Alternatively, you can choose to pay a daily payment for your accommodation at a cost of \$159.86 per day for a Chifley/Lodge single room with private ensuite.

**3. Combination of refundable accommodation deposit and daily payment**

You can also choose to pay a combination of the refundable accommodation deposit and the daily accommodation payment. For example, if you were to pay a 50:50 split for a Chifley/Lodge single room with private ensuite, your deposit will be no more than \$375,000 and your daily payment will be \$79.93.
