AGED CARE HOME

*We look forward
to welcoming
you to our home*

Fairfield Aged Care Home is part of the Hall & Prior Health and Aged Care Group: a family-owned organisation with a passion for providing quality aged care.

Our home is led by an experienced Director of Nursing who works alongside a team of compassionate, dedicated professionals to ensure that you feel well cared for.

We provide each individual in our care with the support they need to continue enjoying meaningful and happy lives.

A place **TO CALL HOME**

Family and friends are
welcome at any time.

Fairfield is a bright and spacious home located in a quiet cul-de-sac, only a short walk to the Fairfield railway station and shops. In addition to companion rooms, our home includes activity areas, quiet rooms, and peaceful outdoor courtyards. Visitors are welcome at any time.

Staying active and socialising is an important part of a healthy lifestyle. At Fairfield we run a monthly activity program with activities such as arts, crafts and games, exercise groups as well as movie and theme days. We have a number of volunteers supporting our home and have regular musical performances, fetes, raffles and visits from school and community groups.

Fairfield is also home to a vibrant multicultural community. We respect all cultures and religions and celebrate special occasions such as Birthdays, religious occasions and special days such as Mother's Day.

home*

Care at **FAIRFIELD**

It's our priority to ensure that you feel safe, secure and at home. For your peace of mind, we provide 24-hour care by registered nurses who are supported by a dedicated team of personal carers. Access to our home is by secure key pad entry and exit codes for your safety and peace of mind.

We have the expertise to assist with complex care requirements, and will always discuss your care requirements with you and your family.

Your general practitioner can visit you at Fairfield, or you can choose to have your records transferred to one of our visiting general practitioners. Hall & Prior's speech pathologist and dietician visit Fairfield regularly to support our residents' care, and visits from other health professionals such as physiotherapists, podiatrists, dentists and opticians are arranged as required.

you receive are
important to us.*

WHAT'S ON THE MENU?

Enjoying a variety of delicious, nutritionally balanced meals is not only an important part of maintaining good health, it's an important part of your day.

Our kitchen team provides fresh meals that are prepared at our home and served straight to you. We consult with dieticians and speech pathologists to support our residents' clinical care without compromising on taste.

We offer a choice of hot and cold meals, cater for allergies and cultural requirements, and create a special menu for a theme day each month.

HOW MUCH DOES IT COST?

The cost of aged care is dependent on your circumstances and is different for everyone. The Government pays a supplement for residents who are assessed as eligible through a combined assets and income assessment; depending on your circumstances, the Government may pay all, part or none of your care and accommodation costs.

You can find an explanation of the fees and your payment options on our website or ask our staff for fee and payment information. We will be happy to go through them with you and answer any questions you have. More information is available from www.myagedcare.gov.au.

HOW DO I APPLY?

Before you apply to live at Fairfield, you will need to be assessed as eligible for residential aged care by an Aged Care Assessment Team, or ACAT. ACAT Assessments are free and your doctor, health centre or local hospital can refer you to an ACAT near you. Please keep a copy of your assessment as you will need to give it to our Director of Nursing before you can move in.

Once you are ready to apply, there are a number of forms that you will need to complete. Our staff are available to sit down with you and guide you through the application process if you like. Please feel free to ask us questions at any time.

Moving and **SETTLING IN**

Moving into an aged care home involves a lot of change for you and your family, and our staff are committed to supporting you during this time.

Your room will be furnished for you, and we encourage you to personalise your space with special photographs, paintings and soft furnishings to help you feel at home. There are television sets that you can watch in our common rooms, but you are welcome to bring your own television or radio if you wish.

Having someone to talk to who is knowledgeable and compassionate can make all the difference. Our Director of Nursing is very approachable and is available to discuss your care or the care of your loved one with you at any time. We look forward to welcoming you to our home.
